

We are currently working with our Vendor to improve the clarity of the Review. Until they make changes please use the following picture as a guide to understanding the review.

The image shows a screenshot of a quiz question with several red annotations. The question is "Intangible investments are things you cannot touch or wear or wal...". The options are "true" and "false". The "true" option is selected, and the "100%" score is displayed. The "Answer" section shows "true".

This is the Correct Answer! (points to the selected "true" radio button)

Ignore These (points to the "100%" and "0%" score indicators)

This is the what you ch... (points to the "true" answer in the "Answer" section)

Question 2 of 89 Point value 1 - 1

Intangible investments are things you cannot touch or wear or wal...

true 100%

false 0%

16 people answer this question

Answer

true
